*Camp Indogan staff is made up of men and women who are above the age of 18 and active camp supporters and are members in good standing with the main stream Churches of Chris. The Board of Directors limits the staff to set guidelines to honor the desires of the mainstream Churches of Christ and the respective founders of the camp who have responsible for the origination and support of its existence. Our views and bylaws are in no way to be considered as a matter of salvation or acceptance as a Christian, but simply guidelines placed to secure continuation of adherence to the bylaws designed and written by the original camp founders.*

Rules for acceptance and participation in the program are the same for everyone without regard to race, color, sex, age, handicap, or national origin. Any person who believes he/she has been discriminated against in any USDA-related activity should write the Secretary of Agriculture, Washington, DC 20250.
