Fall 2016

## Word From the President

Dear Friends of Camp Indogan,

The Fall season is now upon us and that means that the grounds here at Camp Indogan have gone silent. There are no balls bouncing, no joyful screams, and now only the wind moves the swings to and fro. As I wander the property, I see all the signs of the fun had this past summer, from the corners of candy wrappers, to the little hair ties in the stones, and the paths trampled and worn into the grass between cabins and games. All in all, the Summer of 2016 was a huge success, and we are already looking toward and planning for 2017.

During the Spring of 2016 we were able to remodel the girls' bath house and in the coming months we will begin updating the boys' facility as well. During this time we added a new privacy fence along part of the driveway to increase the attractiveness of the camp, and the safety of the children. We were able to work with the local quarry here in Angola to help us add much needed stone to the paths throughout the camp, and we also stoned the entire parking area. In the coming months, we will be reconstructing our swimming pier and adding air conditioning to all of the cabins and the dining hall building. I can not say enough about the volunteers and contributors that have chipped in this year to keep Camp Indogan the best place to spend the summer.

As always, our board of directors is working to build lifetime relationships with the children, and to bringing young people to Christ. We are truly blessed by the Father to be the stewards of His beautiful creation here on the south shore of Silver Lake, and we remain committed to using it to His glory.

Sincerely,  
Doug Griggs  
Board President
